

Benefits of Membership

OCA holds a vital position at the very heart of the heavy, highway and utility industries in Ohio. For firms working in this lucrative arena, OCA is an invaluable resource, and membership offers a solid return on investment as members are positioned to capture the attention of a highly desirable industry.

Benefits of membership include:

- OCA is a valuable resource for advice and gives a voice to the heavy, highway and utility construction industries in Ohio, with extensive staff expertise in:
 - LEGISLATIVE & ENVIRONMENTAL AFFAIRS
 - PUBLIC AGENCIES INCLUDING ODOT
 - GENERAL & INDUSTRY SPECIFIC LABOR & EMPLOYMENT
 - SAFETY-FOCUSED ADVOCACY, EDUCATION & AWARENESS
- OCA facilitates industry collaboration at the local level through its network of nine chapters.
- OCA draws the industry together to create and strengthen relationships through timely, industry specific meetings, programs and events.
- OCA champions the development of today's workforce and tomorrow's industry leaders.
- OCA connects members with discounts on products and services that deliver bottom-line impact.

OCA members find that help in these areas of expertise is just a phone call away.

In addition, OCA membership is inclusive of membership in AGC, and, for our Active members, in ARTBA!
