Environmental Regulations of Businesses In Your Community

August 12, 2021 at 10:00 – 11:00 am EST

Many environmental regulations affect businesses in your community. Ohio EPA regulates sources of air pollution, waste handling, wastewater and storm water discharges, and more. This webinar will provide information related too the environmental regulations affecting both large and small businesses in your community, and explain Ohio EPA's permitting, inspection and enforcement procedures.

Tamara Girard

The webinar will be an overview of Air Pollution Control Regulations, Water Regulations, Solid and Hazardous Waste Regulations, also hear more about Ohio EPA's Compliance Assistance Services that can help you better understand and manage these regulations.

Presenters: Tamara Girard, Environmental Specialist, and Maddie Adams, Environmental Specialist, Division of Financial & Environmental Assistance;

Pending CEU's: One hour for REHS Credits from Ohio Department of Health (These were formerly RS/SIT credits from Ohio Department of Health).

Maddie Adams

Ohio EPA's Division of Environmental and Financial Assistance will be holding its third installment of In Your Community (IYC) series of webinars for 2021. Each webinar will focus on environmental issues that have an impact at the local level - from how Ohio EPA regulates sources of air pollution, waste management, wastewater and storm water discharges to ways your community can promote environmental stewardship and improve the environment.
