CHALLENGING FALL PROTECTION TIE-OFF'S 3M OFFERS WEBINAR TO HELP

The 3M™ Fall Protection team is excited to announce the upcoming Challenging Tie-Off's webinar.

The webinar will define what challenging tie-offs are and their applicable standards, show common worksite application examples, and walk through a blueprint of how to address these unique challenges.

When your worksite is complex and standard fall protection solutions are not enough, developing fall protection and access solutions tailored to your circumstances is key. During this webinar 3M will define what challenging tie-offs are and their applicable standards, show common worksite application examples, and walk through a blueprint of how to address these unique challenges.

Webinars will be held on the following dates and times:

- May 5 at 10 AM CST
- May 19 at 10 AM PT
