Greetings!

This is your invitation to the OCA Annual Convention in San Diego, California. We will be at the beautiful Fairmont Grand Del Mar a Five Diamond Resort (AAA, Forbes) and rated the nation's No. 1 luxury hotel (Trip Advisor).

Included with this invitation is a Registration Form and Member Information document. Optional daily excursions descriptions and registration forms will be sent separately. This information is either required by OCA, the Fairmont Grand Del Mar, or our destination management partner, ATZ Events.

A Sponsorship Form is included, and we hope that you will consider being a sponsor. We very much appreciate our sponsors that help us keep our costs down while providing additional services.

Our contract with the Fairmont Grand Del Mar is for their Fairmont Rooms. We do have 6 suites available at group rates as well. For on-line room descriptions, [click here](#):

We will be eager to greet you when you arrive on Wednesday, March 6. We have a fun evening of appetizers, dinner, entertainment at the Grand Social event venue overlooking the golf course surrounding scenic canyon to kick off the convention.

The deadline for reservations and full registration payment is Wednesday, February 1. **The registration pricing per couple or individual includes your registration, group events, and a room with a view for 7 nights.** If space is available, we have those same room rates for 3 days prior and 3 days after the conference. We have a contracted block of rooms; when they are all reserved, we will only be able to access more if they are available, so reserving early is a good idea. We highly recommend that you register early as there has been considerable inquiries about this event. Also recommended is early registration for the optional excursions as these are very venue dependent and we have to finalize reservations well in advance.

If you have any questions, please call me. I'll be happy to help in any way that I can.

Sincerely,

A handwritten signature in black ink that reads "David S. Rule".
